

Code

```
#include <stdio.h>
int main(void) {
    int ticket;
    printf("Please, enter price: ");
    scanf("%d",&ticket);
    if(ticket!=1000){
        printf("Yes\n");
    }
    else{
        printf("No\n");
    }
}
```
