Code

```c
#include <stdio.h>
int main(void) {
    int sum=0,x;
    do{
        printf("Enter Item price: ");
        scanf("%d",&x);
        sum += x;
    }while(x!=0);
    printf("Total= %d\n",sum);
    return 0;
}
```
